### about finn mccools

Finn McCool was a mythical giant, hunter and warrior, who battled a scottish giant, defeating him with cunning trickery.

Tales are told of his adventures, his wife and the mythology behind his making of the Isle of Man and Lough Neagh.

It is said that Finn McCool still sleeps in a cave below Dublin and will awake one day to defend Ireland in the hour of her greatest need.

But until then we'll drink to the legend that is... Finn McCool.
